Namakkal, Tamil Nadu | 9360013623 | kiruthigas2208@gmail.com | [LinkedIn](#)

PROFESSIONAL SUMMARY

MCA graduate with hands-on experience in full-stack web development and practical exposure to Generative AI and Prompt Engineering through academic and real-world projects. Experienced in using AI tools for code generation, debugging, problem-solving, content creation, and workflow improvement. Skilled in developing and refining prompts to achieve accurate, relevant, and structured outputs. Strong foundation in Python, PHP, MySQL, JavaScript, HTML, and CSS, with experience in building web applications and AI-assisted development workflows.

TECHNICAL SKILLS

Generative AI & Prompt Engineering: Prompt Engineering, Generative AI, AI-assisted Development, Prompt Optimization, AI Output Evaluation, ChatGPT, Gemini, Claude, Qwen, DeepSeek

Programming Languages: Python, C, C++, Java, PHP, Visual Basic 6.0, ASP.NET

Web Technologies & Database: HTML, CSS, JavaScript, PHP, MySQL, SQL

Tools & Platforms: Visual Studio Code, XAMPP, Git, InfinityFree, Vercel

INTERNSHIP EXPERIENCE

Web Developer Intern - AIM Univeresse, Coimbatore.

Dec 2025 – Mar 2026

- Built InternSync - a complete Intern Management System with registration, attendance & performance modules
- Handled end-to-end development using HTML, CSS, JavaScript, PHP, MySQL

Software Developer Intern - Browzone Infotech, Erode.

Dec 2023 – Jan 2024

- Built a Hospital Management System using Visual Basic 6.0 for real hospital requirements
- Developed modules for patient registration, appointment scheduling and records management

PROJECTS

Mothers Milk Bank Management System - Live Government Hospital Project | HTML, CSS, JS, PHP, MySQL

- Deployed for Erode Government Hospital — manages donor registration, milk collection, storage & distribution
- Live production system handling real-world hospital data with role-based access

InternSync - Intern Management System | HTML, CSS, JS, PHP, MySQL

- Full intern management system with registration, attendance tracking and performance evaluation
- Developed as PG main project used in real internship program at AIM Univeresse
- Used AI-assisted development for coding, debugging, problem-solving and feature implementation.

Finance Management System | HTML, CSS, PHP, MySQL, JS, InfinityFree

- Deployed live web app to track income, expenses and generate financial reports hosted on InfinityFree

Faculty Resource Portal | HTML, CSS, JS, PHP, MySQL, XAMPP

- Role-based portal for faculty to upload study materials and students to access/download resources

Books & Bytes — E-Commerce Platform | HTML, CSS, JS, PHP, MySQL

- E-commerce platform for purchasing books and downloading e-books with user auth and admin panel

Hospital Management System | Visual Basic 6.0

- Desktop app for patient registration, appointment scheduling and records — built at Browzone Infotech

EDUCATION

Master of Computer Applications (MCA) Vellalar College for Women, Erode

2024 – 2026

Bachelor of Science in Computer Science Vellalar College for Women, Erode

2021 – 2024
